Check-In

An enterprise event app

www.mitric.com

"We would like
to speed up
the check-in process,
improve the
customer experience
and obtain reports"

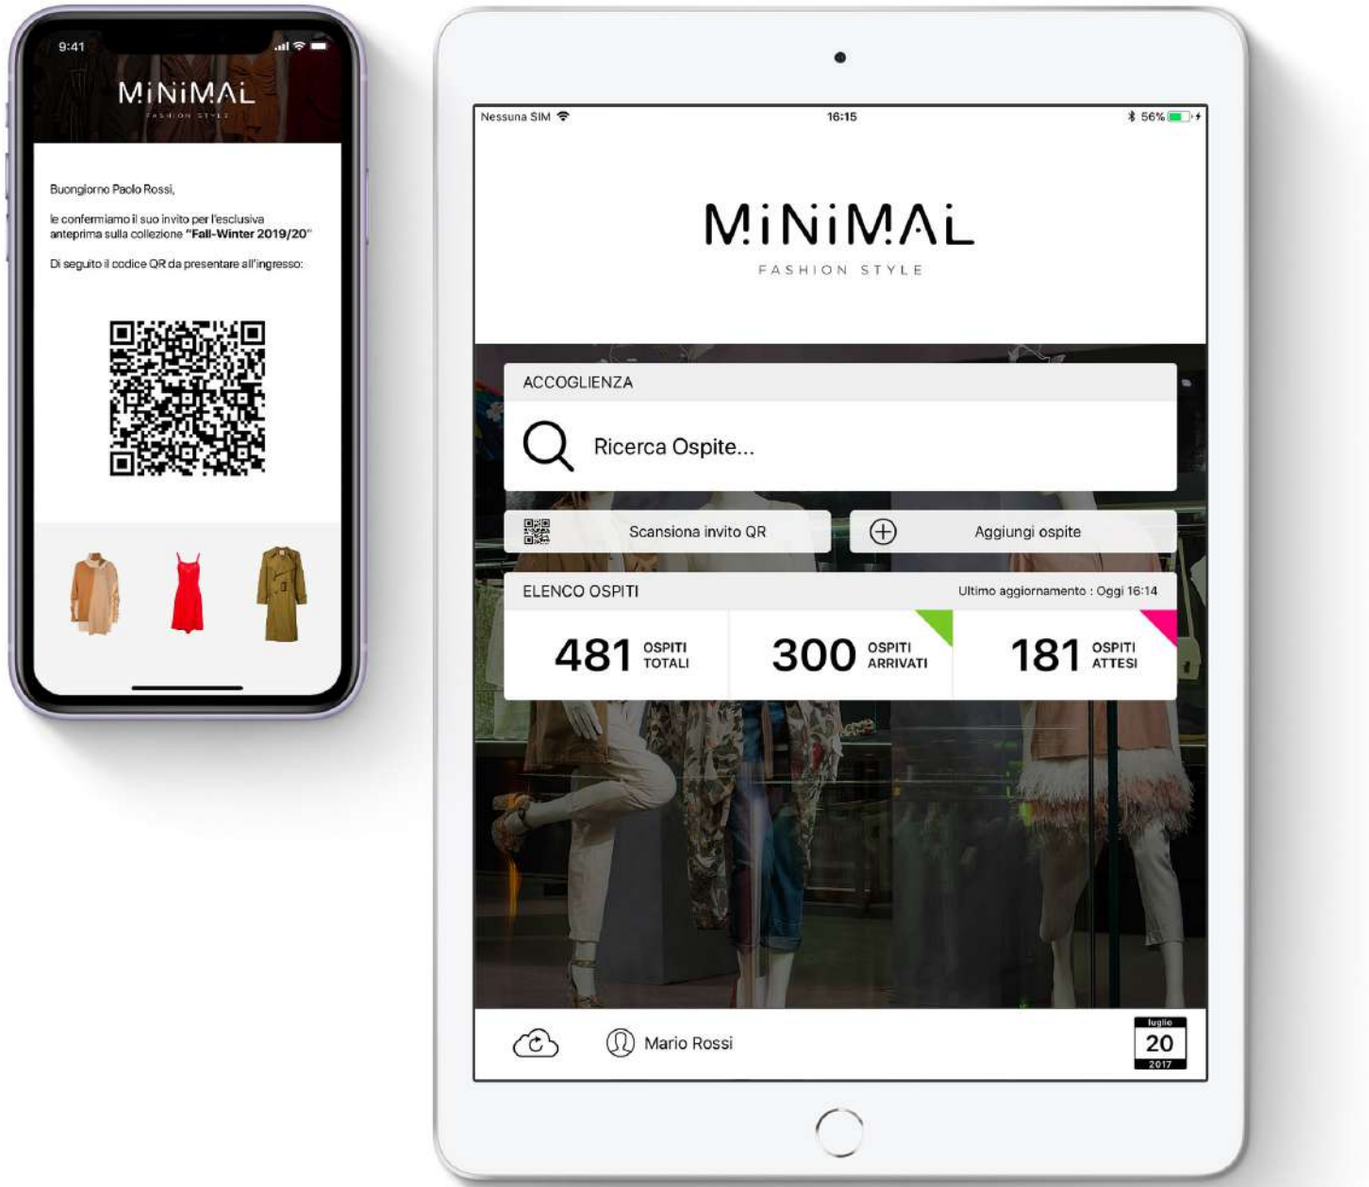
mitric

Check-In

Boost your conference experience

The cloud platform for tablet e desktop to manage your business events, convention, fashion shows and road show.

1. **Event management optimization** from invitation to check-in
2. App designed around your **brand identity**
3. **Future driven** solution



mitric

The **iPad app**
used by
the **welcome staff**
to check the
access guests list.
